Pursuant to the Order of this Court, Debtor Invest n Retire, LLC ("Debtor") hereby submits the following:

1. Debtor's cash flow projections, prepared on a monthly basis, from the Petition Date (February 18, 2014) to July 31, 2014. (Attached as **Exhibit A**.)
2. Debtor's historical financial information, attached as **Exhibit B** consisting of the following:
  - a. Three years Income Statements; and
  - b. Three years balance sheets (2011-2013).
3. A statement of expenses paid since the Petition Date through February 28, 2014 is attached as **Exhibit C**. All postpetition expenses have been paid on a current basis.

4. Attached as **Exhibit D** are monthly budgets for the anticipated fees and expenses for Debtor's bankruptcy counsel, Vanden Bos & Chapman, LLP ("VBC"), for the six months following the Petition Date. The attached budget for VBC is an estimate only; the budget is not intended to establish either a minimum or maximum fee that might be charged by VBC. VBC reserves the right to seek compensation in amounts above the attached budgets if the time expended exceeds the estimates. No budgets are yet available for other professionals. Debtor is contemplating employing one or more additional professionals, which could include: (1) Transactions counsel to assist Debtor to document the intended sale/licensing of Debtor's patent and other intellectual product (Debtor believes the professional fees for transactions counsel will be in the range of \$30,000 to \$45,000, including potential work relating to a pending patent application); (2) valuation expert to perform a valuation of Debtor's patents and other IP (Debtor has received one estimate for performing the valuation within a range of \$35,000 to \$50,000); and (3) marketing firm (which could also be the valuation firm) to handle the marketing and sale of Debtor's patents and IP; and/or to develop other methods to best monetize and/or maximize the value of the patents and the IP for Debtor's estate and its equity holders. The compensation of the marketing and sales team, if any, is undetermined at this time.

Respectfully submitted;

Note: INR changed bank accounts under the Bankruptcy rules. It takes Ceridian 10 business days turn-around to change bank accounts for payroll processing. Ceridian provided me with instructions to process payment to INR's employees which skipped direct deposit for the Feb 20 payroll. I processed the tax impound for employee and employer tax with Ceridian on Feb 28 which takes Ceridian a couple of days to process.
